- ii. The Invoice for the Access Charges shall be in writing and forwarded to the Access Seeker before the Due Date. The Access Provider shall provide with each Invoice, such information as may be reasonably necessary for the Access Seeker to verify the rates and charges specified in the Invoice. - iii. All Invoices shall be stated in Ringgit Malaysia and payment must be made in Ringgit Malaysia.
 - iv. Save for disputed amounts, it is hereby expressly agreed that the Access Provider is entitled to the payment of interest without prejudice to any other rights of the Access Provider. Interest on due and unpaid amounts is payable (as well as before judgement and after judgment) at the rate of one percent (1%) per annum above Malayan Banking Berhad's Base Lending Rate (BLR) calculated daily from the Due Date until the date of actual payment. Payments which are overdue by more than sixty (60) days will bear interest at the rate of two percent (2%) per annum above Malayan Banking Berhad's Base Lending Rate ("BLR") (as well as before judgement and after judgment) calculated from the due date until the date of receipt by the Access Provider of full payment. Further, the BLR rate to be used shall be the published rate prevailing on the date of payment.

The Access Provider who made the error must make the necessary adjustment to correct that error (including adjusting any interest erroneously charged) in its next Invoice.
 - vii. The Access Provider may include omitted or miscalculated Access Charges from an earlier Invoice in a later Invoice or issue an Invoice for Access Charges which have not been invoiced provided that the Access Provider is able to substantiate the Access Charges to the Access Seeker and such inclusion, amendment and issuance is made within three (3) months from the end of the Billing Period for the Facilities and/or Services provided. Nevertheless, the Operators agree that if the omission or miscalculation is due to the Access Seeker under declaring or not declaring its actual number of Equipment or for any other reason thereby avoiding the additional Access Charges payable to the Access Provider, then the period of three (3) months above shall be extended to the time when the additional Equipment was/were added to the Site without notifying the Access Provider.
 - viii. For the avoidance of doubt, in the event the Access Provider fails, neglects, or omits to submit an omitted or miscalculated Access Charge in a later Invoice (as provided above), or fails,

- ix. The demand or acceptance of the Access Charges and any other payment by the Access Provider after default or breach by the Access Seeker does not prejudice the exercise by the Access Provider of the powers conferred upon the Access Provider in this RAO or the Access Agreement and/or under law nor does it constitute an election by the Access Provider to exercise or not to exercise any of the rights, powers or privileges hereunder and/or under any law.
- x. - xi. The Access Provider shall allow an Access Seeker to withhold payment of any amount disputed in good faith by the Access Seeker if:-

- ii. For the purpose of clarification, the Security Sum does not relieve the Access Seeker from its obligations to pay amounts to the Access Provider as and when they become due and payable, nor does it constitute a waiver of the Access Provider's right to suspend, disconnect or terminate the Access Service due to non-payment of any sums due or payable to the Access Provider.
- iii. The Access Provider shall be entitled to revise the Security Sum in any of the following event:-

- (1) at each subsequent anniversary from the Commencement Date;
 - (2) where, in the opinion of the Access Provider, the Security Sum is less than the total estimated value of access to the requested Facilities and/or Services provided (based on the most recent amounts invoiced for those requested Facilities and Services) or to be provided by the Access Provider at the end of the most recent two (2) months period;
 - (3) upon the provisioning of new or additional Access Service to the Access Seeker; or
 - (4) where there is material change in circumstances in relation to the Access Seeker's creditworthiness. If the amounts in the Invoices are disputed in good faith, this will not constitute a material change in circumstances for purposes of this Clause.
- iv. Where the Security Sum is revised pursuant to Clause 11(d)(iii) above, the Access Seeker shall within five (5) Business Days from the written request of the Access Provider, deposit the new Security Sum with the Access Provider in the manner specified in Clause 11(d)(i) hereof.
- v. In the event the Access Provider elects to suspend or terminate the provisioning of the Access Service to the Access Seeker for any Site, the Access Provider shall have the right to use the Security Sum for that Site (together with any interest thereon) to set off any outstanding sum due and payable to the Access Provider by the Access Seeker at other Sites.
- vi. Subject to Clause 11.3(d)(v) above, upon termination of this RAO or the respective SLO, the Security Sum deposited with the Access Provider or parts thereof, may be returned and/or refunded to the Access Seeker, unless the same had been utilized or will be utilised to settle any outstanding sum to the Access Provider.
- e. Billing Disputes
- i. Where there is a Billing Dispute, the Operators shall comply with the dispute resolution procedures in Clause 12(e) hereof.
 - ii. For the avoidance of doubt, the Access Seeker shall not use the dispute resolution procedure in Clause 12(e) hereof to avoid or delay payment due to the Access Provider where there is no genuine dispute.

At the commencement of the dispute resolution procedure, each Operator must notify the other of the scope of the authority of each of their representatives.  - viii. The costs of the arbitration are to be shared equally between the Operators unless the arbitrator of the dispute has decided not to determine the dispute in accordance with Clause 16(b)(vii). If an arbitrator decides not to determine the dispute, the Operator that initiated the dispute must pay the costs of the arbitration including the other Operator's reasonable costs thereto.

c. Inter-Party Working Group

- i. In the first instance, the Operator raising a dispute must inform the other Operator in writing and the Operators should attempt to resolve the Access Dispute between themselves in good faith.

- ix. The Technical Expert will not have the power to appoint any other experts.
- x. The Technical Expert will deliver his award within fifteen (15) Business Days of the conclusion of the hearing or of the last written submission where the arbitration is by documents only. A failure to comply with the timeframe in this Clause 12(d)(x) does not invalidate the Technical Expert's award.
- xi. Every dispute referred to a Technical Expert will be considered separately so that time limits for each dispute are complied with.
- xii. The Technical Expert's decision will be final and binding on the Operators (in the absence of manifest error of fact or law).

e. Billing Dispute Resolution

- i. The Access Provider shall allow the Access Seeker to dispute an Invoice prepared by the Access Provider provided the dispute is reasonable and the Access Seeker notifies the Access Provider in writing within thirty (30) days after the date of receipt of such Invoice (“Billing Dispute Notification Period”) and if the Access Seeker fails to dispute an Invoice within the specified time period above, the Access Seeker is deemed to have accepted the Invoice.
- ii. Unless otherwise agreed in writing, a Billing Dispute may only arise where the Access Seeker has reasonable grounds to believe that an error has arisen from one of the following circumstances:-

Once the Billing Dispute is resolved and if any amounts are then found in favour of the Access Seeker, the Access Provider is obliged to refund by way of a credit note of such amounts to the Access Seeker (“Refundable Amount”) within fourteen (14) Business Days of the date of settlement of the dispute. Notwithstanding the foregoing, the Access Seeker shall charge interest on the Refundable Amount which shall be at the rate specified in Clause 11(c)(iv) from the date of payment of the disputed amount by the Access Seeker to the date of the issuance of the credit note by the Access Provider.

- x. An Operator may request a joint investigation of Invoice discrepancies after that Operator has conducted comprehensive internal investigation, including an examination of its own Billing System. Prior to commencement of the joint investigation, the Operators must agree the terms of the joint investigation, including:-
